# WELCOME TO BALLARAT KART CLUB

On behalf of the Ballarat Kart Club, it's my pleasure to welcome all drivers, teams, families, and supporters to the 2025 4SS State Trophy here at Haddon. We're excited and proud to host this fantastic event and to see the very best of 4SS racing battle it out for the coveted Orange Plate.

A huge thank you to our key event sponsors: Torini Engines, Pirtek Ballarat and Bacchus Marsh, SP Tools, and Kart Ready. Your support is invaluable and helps make events like this possible.

Of course, no race weekend happens without the hard work of our tireless club volunteers. From track prep to cleaning toilets, from mowing to official duties, from admin to timing, and everything in between, a sincere thank you. Your dedication keeps our club running and ensures weekends like this are safe, organised, and enjoyable for everyone.

Be sure to check out our awesome canteen, famous for offering just about everything. Whether you're after a hot dog, something sweet, or even sushi, we've got you covered. And don't miss the Saturday night roast.

To all competitors, we wish you the very best of luck. Race hard, race fair, and enjoy the challenge. To everyone joining us this weekend, thank you for supporting karting in regional Victoria. We hope you enjoy the racing, the atmosphere, and our club's warm Ballarat hospitality.

Let's make the 2025 4SS State Trophy one to remember.

Ballarat Kart Club celebrated 60 years of history at the same location in 2022. With a rich and proud history for over 60 years, the club continues to provide an energetic and supportive environment that allows members of all ages to enjoy their motor racing ambitions.

During that time, the Ballarat Kart Club has played host to many club days, the 2008 State Cup, Mort Page Memorial , Begonia City Classic, and Victorian Country Series events.

One of the biggest events in the club's history was the 2018 Victorian Country Series round, when 251 competitors packed the paddock.

The track is located in the township of Haddon just 15km from the centre of Ballarat and has members from all across the Central Highlands region.

In 2024 the club completed one of the most significant projects in the club's history, with a major track extension and pit relocation infrastructure project. It was the biggest expansion to our track in its 60+ year history.
